01 | System Overview & User Roles

What is EASY?

EASY (Exam Administration System) is the official digital platform of the Malaysian Red Crescent Society (MRCS) Sarawak for managing first-aid examination registrations, results, certificates, and reports — built to Sarawak Government and SAINS standards.

DEC

District Exam Coordinator

Submits new exam applications, manages candidates & trainers, enters results, prints certificates, and uploads payment proofs for their district.

SEC

State Exam Coordinator

Reviews and verifies exam applications submitted by DEC, approves or rejects submissions, manages unlock requests, and monitors state-level exam schedules.

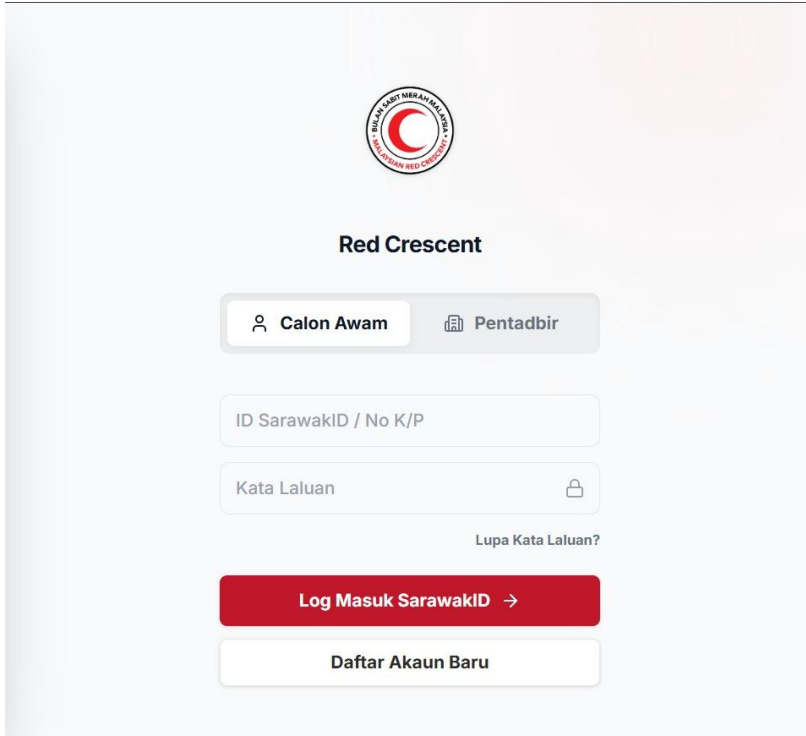

SEBC

State Exam Board Chairman

Has full oversight: approves exam reports, locks completed examinations, accesses all districts' data, manages question banks and system settings.

Candidate Portal: Candidates have a separate login to view their own results and download certificates.

02 | Logging In to EASY

The screenshot shows the login interface for the Red Crescent EASY system. At the top center is the Red Crescent logo, which consists of a red crescent and star inside a circular emblem with the text 'JALAN SAKIT MERAH SAKIT NYAK' and 'BERSAMA SAMA RED CRESCENT'. Below the logo, the text 'Red Crescent' is displayed. There are two tabs: 'Calon Awam' (selected) and 'Pentadbir'. Below the tabs are two input fields: 'ID SarawakID / No K/P' and 'Kata Laluan' (password). A link 'Lupa Kata Laluan?' is located below the password field. At the bottom, there are two buttons: a red button labeled 'Log Masuk SarawakID →' and a white button labeled 'Daftar Akaun Baru'.

- 1 Open EASY in your web browser and go to the organisation URL provided by your state coordinator.
- 2 On the login screen, choose your login type:
 - Coordinator (for DEC / SEC / SEBC)
 - Candidate (for exam takers)
- 3 Enter your Username (usually your staff/member ID) and Password.
- 4 Click Sign In. The system will load your dashboard based on your assigned role.
- 5 To switch language (BM ↔ EN), click the language toggle in the top header bar at any time.

⚠ Forgot your password? Contact your State Exam Coordinator or SAINS helpdesk for a password reset.
